

General Surgery Scholarly Activity

Publications

1. Kim W, Sonnanstine T. The 15cm Roux Limb: A Technical Misadventure. *Obes Surg*. 2018 May; 28(5):1454-1455.
2. Leberer D, Elliott J.O., Dominguez E. Patient characteristics, outcomes and costs following interhospital transfer to a tertiary facility for appendectomy versus patients who present directly. *Am J Surg*. 2017 Nov;214(5):825-830.
3. Saraswat A, Bach J, Watson WD, Elliott JO, Dominguez EP. A pilot study examining experiential learning vs didactic education of abdominal compartment syndrome. *Am J Surg*. 2017 August; 214(2):358-364.
4. Chapman A, Duff SB. A Case of Spontaneous Transdiaphragmatic Intercostal Hernia with Contralateral Injury, and Review of the Literature. *Case Rep Surg*. 2017 February; 7416092
5. Sharma N, Adamic B, Anderson J, Holfinger S, Lo DY. A Case of Asymptomatic Cholecystogastric Fistula. *Am J Gastroenterol*. 2016 October; 111(S1):S519-S520.
6. Holfinger S, Anderson J, Adamic B, Sharma N, Arrese D, Lo DY. A Rare Cause of Recurrent Acute Pancreatitis. *Am J Gastroenterol*. 2016 October; 111(S1):S544.
7. Adamic B , Holfinger S, Sharma N, Anderson J, Pomerants B, Lo DY. Adenocarcinoma at an ileostomy site. *Am J Gastroenterol*. 2016 October; 111(S1):S1034.
8. Anderson J, Sharma N, Holfinger S, Adamic B, Castor J, Lo DY. Duodenal Adenocarcinoma Presenting as Achalasia. *Am J Gastroenterol*. 2016 October; 111(S1):S770.
9. Burgers JL, Tsung E, Elliott JO, Radulescu A, Dominguez E. Value of Cholangiography in Elective Cholecystectomy in Patients with Normal Preoperative Liver Function Tests. *Journal of the American College of Surgeons*. 2016 October; 223(4) S1:S61-S62.
10. Burgers JL, Tsung E, Elliott JO, Radulescu A, Dominguez E, Tu1516 The Value of Cholangiography in Elective Cholecystectomy for Patients With Normal Preoperative Liver Function Tests. *Gastroenterology* 2016;150(4):S1257.
11. Nadeau M, Saraswat A, Vasko A, Vasko S, Elliott JO. Bupivacaine versus liposomal bupivacaine for postoperative pain control after augmentation mammoplasty: a prospective randomized double-blinded trial. *Aesthet Surg J*. 2016;36(2):NP47-52. doi: 10.1093/asj/sjv149.

Oral Presentations

1. Geva A. Improving capture of trauma data. RMH GME Quality Improvement Showcase, May 2018.
2. Sbrocchi T, Watson WD, Ruiz O, Nguyen N. Efficacy of a Novel Cholangiogram Simulator for Training Laparoscopic Intraoperative Cholangiography. 2018 Annual ACS Surgical Simulation Summit: An International Multi-Professional Meeting. March 2018; Chicago, IL.
3. Hessey J, Avalon J, Elliott J, Arrese D. Examining the role of adjuvant radiation therapy for patients who undergo pancreatic resection of malignancy. OUCOM-Dublin Research Day, Mar 2018
4. Robertson C, Salibi P, Elliott J, Alfred D, Shaffer L, Blossom G, Hyatt D. How do socioeconomic factors affect outcomes in bariatric surgery? Columbus Surgical Society. February 2018.

5. Geva A, Ruiz O, Elliott J. Percutaneous cholecystostomy tube management after an episode of acute cholecystitis. Columbus Surgical Society. February 2018.
6. Kim W, Sonnanstine T. The 15cm Roux Limb: A Technical Misadventure. 22nd World Congress Meeting International Federation for the Surgery of Obesity and Metabolic Disorders. August 2017; London, England.
7. Wooster M, Stassi A, Kurtz J, Salibi P, Hessey J, Spalding MC, Bonta M, Hill J. Predictors of end of life care in geriatric trauma patients: A multi-institutional review. OhioHealth Research Symposium. May 2017.
8. Oostra J, Chapman A, Elliott JO, Ruiz O. The Effect of Wearing a Helmet on Outcomes in Motorcycle Accidents. Columbus Surgical Society. February 2017.

Poster Presentations

1. Sbrocchi T, Watson WD, Ruiz O, Nguyen N. Efficacy of a Novel Cholangiogram Simulator for Training Laparoscopic Intraoperative Cholangiography. Ohio State University Fall Educational Symposium October 2018.
2. Salibi P, Robertson C, Hyatt D, Alexander S, Elliott JO, Sonnanstine T. How do socioeconomic factors affect outcomes in bariatric surgery? World Congress of Endoscopic Surgery; April 2018; Seattle, WA.
3. Salibi P, Sonnanstine T. Roux-en-y gastric bypass in the setting of prior choledochojejunostomy. 22nd World Congress Meeting International Federation for the Surgery of Obesity and Metabolic Disorders; August 2017; London, England.
4. Oostra J, Chapman A, Ruiz O, Elliott JO. The Effect of Wearing a Helmet on Outcomes in Motorcycle Accidents. Central Ohio Trauma System Conference; May 2017.
5. Burgers J, Lipoff D, Hafertepen L, Wooster M, Lily L, Halaharvi L, Cripe M. Patient Perceived Anxiety Surrounding Breast Biopsy and the Role of Seeing a Surgeon First. American Society of Breast Surgeons Annual Meeting; April 2017; Las Vegas, NV.
6. Holfinger S, Anderson J, Adamic B, Sharma N, Arrese D, Lo DY. A Rare Cause of Recurrent Acute Pancreatitis. American College of Gastroenterology Annual Meeting; October 2016; Las Vegas, NV.
7. Sharma N, Adamic B, Anderson J, Holfinger S, Lo DY. A Case of Asymptomatic Cholecystogastric Fistula. American College of Gastroenterology Annual Meeting; October 2016; Las Vegas, NV.
8. Adamic B, Holfinger S, Sharma N, Anderson J, Pomerants B, Lo DY. Adenocarcinoma at an ileostomy site. American College of Gastroenterology Annual Meeting; October 2016.
9. Anderson J, Sharma N, Holfinger S, Adamic B, Castor J, Lo DY. Duodenal Adenocarcinoma Presenting as Achalasia. American College of Gastroenterology Annual Meeting; October 2016; Las Vegas, NV.
10. Burgers JL, Tsung E, Elliott JO, Radulescu A, Dominguez E.. Value of Cholangiography in Elective Cholecystectomy in Patients with Normal Preoperative Liver Function Tests. Journal of the American College of Surgeons; October 2016; Washington DC.
