

# Experienced Physicians, Outstanding Patient Care

## Working together, OhioHealth's board-certified physicians and specialty-trained support team provide the best back and spine care at Dublin Methodist Hospital.

We provide quality, specialized care, in a streamlined environment, which focuses on patient wellness and a quick recovery. Our highly experienced back and spine physicians are dedicated to relieving pain, restoring function and providing exceptional care to give every patient the opportunity to experience less pain and more life.

Our services combine both traditional and highly advanced treatment options, providing patients with the best outcome possible.

### Dublin Methodist Hospital offers the following specialized back and spine care services:

#### Traditional Treatments

- Physical therapy
- Stimulation technologies
- Injections
  - Epidurals
  - Facet injections
  - Radiofrequency neurotomy

#### Advanced Treatments

- Microdiscectomy
- Laminectomy
- Fusion surgery (cervical and lumbar)
- Minimally-invasive surgery
- Motion preservation technologies
- Scoliosis

The team of back and spine experts at Dublin Methodist Hospital is here to help. Our internationally-recognized back and spine physicians care for more than 1,300 patients each year, with outcomes among the best in the nation.

For more information about back and spine services at Dublin Methodist Hospital or to schedule an appointment, please contact one of the back and spine surgeons or pain management specialists listed on the back of this document.

BELIEVE IN WE  OhioHealth

# The best people. The best resources.

*“Knowing they have extensive experience and access to the most advanced treatment options, I refer my patients with total confidence.”*

~ T. Laurence Blosser, MD, Northwest Family Physicians
