

# Upgraded MRI Technology at Riverside Methodist Hospital

*As a leader in medical technology and clinical innovation, Riverside Methodist Hospital is pleased to offer MRI technology upgrades available to your patients.*

Riverside Methodist Hospital now offers the latest in MRI technology including:

- **Siemens Avanto Short Bore 1.5 Tesla Scanner:** We now have three of these MRI scanners with advanced applications such as diffusion tensor imaging, functional MRI and DynaCAD for improved breast MRI.
- **Siemens Espree Open Bore High Field 1.5 Tesla Scanner:** This next generation open MRI scanner offers the latest in patient comfort to help decrease claustrophobia while obtaining high quality exams and advanced applications in a much shorter time than conventional open MRI.

All four of our new MRI scanners offer the latest in advanced image quality. Images are available to view in-house through Synapse PACS as well as in ORB which can be accessed at your office or virtually anywhere via the Internet.

#### **Advanced MRI applications available to you and your patients:**

- Cardiac imaging
- Breast imaging
- Neurological imaging
- Musculoskeletal imaging
- Abdominal imaging
- Specialized DynaCAD breast workstation available to our radiologists for better patient flow and the latest diagnostic tools
- Imaging for breast biopsies
- Spectroscopy
- Diffusion Tensor imaging

*To schedule your patients, call (614) 566-1111.*

#### **Riverside Advanced MRI Services**

*To schedule your patients, call Central Scheduling at Riverside, (614) 566-1111.*

### **OhioHealth Imaging**

OhioHealth offers 18 imaging locations throughout central Ohio. For more information or to schedule an appointment, please call (614) 566-1111.

**To schedule your patients, call (614) 566-1111.**

### **For Your Patients**

Our new MRI technologies offer patients a much more positive experience, including shorter exam times and noise reduction systems which allow better patient comfort and reduced claustrophobia.

Riverside also offers patients:

- Free parking onsite
- Easy access, same day in most cases

### **Our Team**

Riverside Methodist Hospital offers a comprehensive team of board-certified radiologists with MRI subspecialties in neurology, body, cardiology, breast and musculoskeletal imaging. Many of our technologists and clinicians have more than 10 years of experience in MRI, providing unmatched specialized expertise for you and your patients. Riverside's team of radiologists use a voice recognition system improving the accuracy of reading imaging film and shorter turnaround time for your patients imaging procedure results.
