Welcome to OhioHealth Riverside Methodist Hospital

Because we have more than 1,200 world-class physicians on our medical staff who offer a broad range of healthcare services, Riverside Methodist is a large hospital campus.

Our goal is to make your visit as pleasant as possible, and that means making it as easy as possible to find your way around. To do that, we have organized our campus into color-coded zones. This brochure provides a map of those zones and some of the key services as well as patient room numbers in each zone.

Please bring this brochure with you to the hospital. If possible, ask your physician office, appointment scheduler or family member to let you know in what color zone your destination is located.

Once you enter Riverside Methodist, you will find color-coded signs to help you find your way around. If you would like personal assistance, there are Information Desks at every entrance. If at any time you need help during your visit, go to an Information Desk or ask anyone wearing a hospital identification badge. We’ll be happy to walk you to your destination.
