Before Your Rotation

CareConnect Training (EPIC)

CareConnect training is part of your rotation. Information regarding this will be emailed to you prior to your start date. You must have this training completed when you arrive for orientation.

Scrub Training

If you are scheduled for one of the following rotations - ENT, General Surgery, OB/GYN, Orthopedic Surgery, or Trauma & Surgical Critical Care - you must complete an online module about surgical scrub protocol. Information regarding access to this will be emailed to you prior to your start date. After orientation, there is a mandatory Part 2 scrub training step to complete which is outlined in Appendix A at the end of this document.

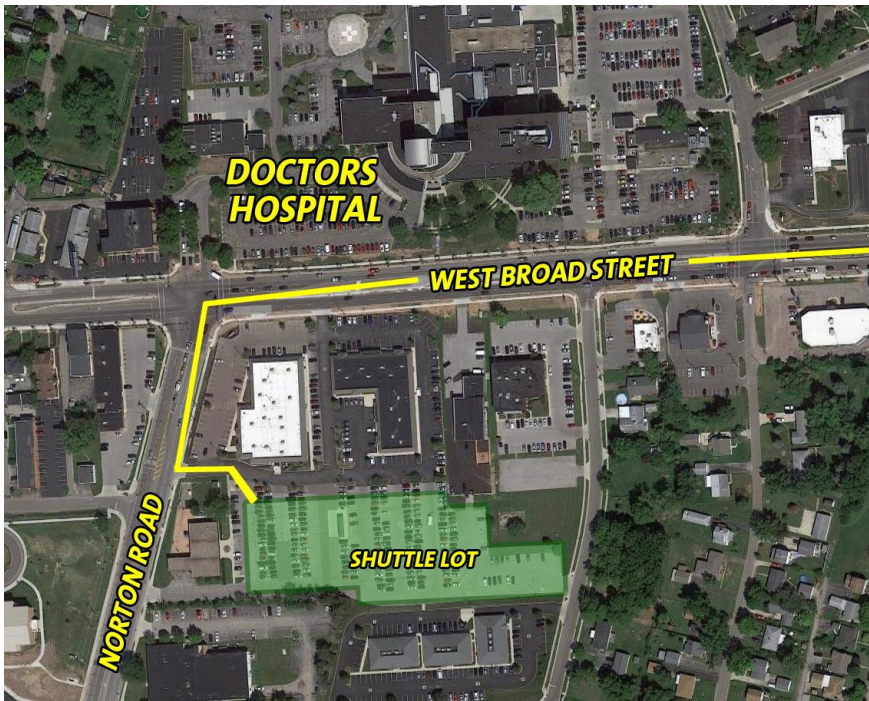

Housing

Students are responsible for their own housing arrangements.

Arriving at Doctors Hospital

Our Address

Doctors Hospital Department of Medical Education
The Heritage Center for Osteopathic Medical Education
5100 W. Broad Street
Columbus OH 43228

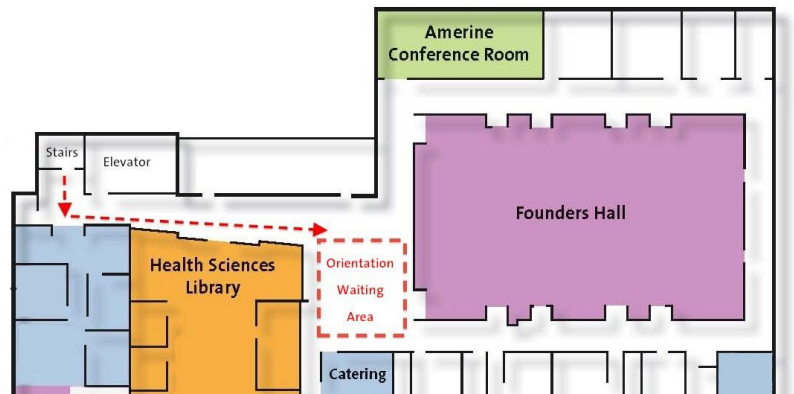

Parking

All visiting students are required to park in the shuttle lot, located south of the hospital behind the medical offices located at 5141 W. Broad Street. Take the shuttle to its only stop.

Getting to Founders Hall

Once inside the hospital turn left, go all the way down the hallway and turn right. Use the second elevator on the left (labeled Heritage Center) or the open staircase to the 2nd floor and you will see the Library to your left.

Orientation

You are required to attend orientation at Doctors Hospital the first day of your rotation. Bring your school lab coat and school ID.

Orientation will begin on the second floor of The Heritage Center. Wait in the lobby area outside of the library. A staff member will begin your orientation at **8:00am**. NOTE - if your rotation falls on a Monday national holiday, orientation will be held Tuesday.

Guidelines for Clinical Elective Rotations

OhioHealth Doctors Hospital Department of Medical Education Office serves as the primary point of contact and administration for your clinical rotation. In order to successfully complete and pass a clinical rotation, each student will need to comply with local policies and procedures. This includes a formal orientation the first day of service. On the last Friday of rotation, check-out is required and you must return your ID badge. You are not permitted to return to service once this is done.

If you become ill and cannot report for the day(s), it is your responsibility to contact the Preceptor prior to the start of your shift. If you fail to do so, your school will be contacted of your unexcused absence(s).

You must not start before your rotation's official start date.

Failure to comply with this rule will lead to immediate termination of your rotation, and your removal from consideration for a residency at this hospital.

Scope of Responsibility

The ultimate responsibility for patient care lies with the attending physician. As a medical student, you can expect to work under the direct supervision of a resident, fellow or attending physician. You may, in the presence of your supervisor, participate in patient examination and take medical histories. The attending physician must approve and submit every note or order the student writes for it to be used in the permanent record.

Limitations

As a clinical student, you may respond only to the direction of a member of the Medical Staff to perform a procedure in the presence of that staff member. Any participation in performance of History and Physical Examination, progress note, etc. may only be performed under the direct supervision of a licensed physician, fellow or resident holding a temporary license and must be countersigned, dated, and timed within 24 hours by a licensed physician, fellow or resident holding a temporary license.

Under no circumstance should you, as a medical student, write orders or act as a scribe for a licensed practitioner (medical staff rules and regulations Section IV, Paragraph I).

Violations of this rule and a portion of the Medical Practice Act, Ref OAC 4731.41 could prevent you from being licensed in the state of Ohio and could constitute a charge of unprofessional conduct.

Work Hours

Your typical day will begin at 7:00 a.m. and will end around 7:00 p.m. Variation of these hours is at the discretion of the attending physician and/or assigned resident. You shall not be required to work more than 12 hours per day unless your assigned duties have not been met, you have an emergency, or you are in the middle of a procedure or surgical case.

Your number of on-duty hours should not average less than 40 or more than 80 hours per week. Any additional hours spent on duty are on a voluntary basis only. If assigned night duty, you may work no more than 24 consecutive hours, which must be followed by a minimum of 12 consecutive hours off duty. You are to work no more than one night duty shift per week. If assigned night duty, you must be scheduled for a minimum of every other weekend off.

Didactic Presentations

Much of your training will come from clinical experience with patients, residents, and attending physicians. To supplement

your clinical training, you are expected to participate in all didactics required by the preceptor/program. Morning conferences will vary according to the service you are on. Special lectures are offered in general to residents and students, but this is only on occasion.

Professional Appearance/Student Identification

You are expected to wear a short clinical lab coat at all times while in the hospital. Your school ID as well as your Doctors Hospital ID badges will also be worn while on your rotation, displayed on either the pocket or the collar of your lab coat. Inappropriate attire includes, but is not limited to, wrinkled/unclean clothing, jeans, sweats, shorts, leggings or other casual attire. Your shoes should be clean and appropriate for your attire.

Scrubs are only permitted in surgery, special procedure areas, and obstetrics or when you are on night call. Surgical caps and shoe covers are required in sterile areas and in non-conductive areas. Due to strict OSHA requirements surgical caps, hoods, gowns, shoe covers and boots are not to be worn outside of the surgical and obstetrics area. You are not permitted to wear scrubs or other hospital assigned uniforms outside of the hospital. You will be responsible for returning all scrubs and other uniform attire to the proper receptacles.

Any deviation from the above conditions shall be at the discretion of the Doctors Hospital Department of Medical Education and/or your preceptor. Any questions or concerns regarding these conditions should be directed to Paula Vasu (Paula.Vasu@OhioHealth.com)

During Your Rotation

Meals

Doctors Hospital Café Hours (Located on the first floor)

Monday-Friday: 6:30am-2am

Saturday-Sunday: 7am-2am

Evaluations

It is the student's responsibility to see that the preceptor completes evaluations and other paperwork required by their schools. Doctors Hospital assumes no responsibility for student evaluations and required paperwork.

We appreciate any feedback regarding your rotation here at Doctors Hospital.

At the End of Your Rotation

Check Out

What to bring: Doctors Hospital ID badge*

When: Last Friday of the rotation

Where: Paula Vasu's office in the Medical Education Department. Our office is open from 7:00am-4:30pm. If the office is not staffed, leave your ID badge in the Medical Education After Hours Mailbox. The box is located outside the office doors in the back hallway, to your left as you enter the resident lounge.

Your rotation will be considered incomplete if this policy is not followed and your school will be notified.

* If the following items are lost, you are responsible for the replacement cost as indicated below.

Doctors Hospital/OhioHealth ID Badge	\$25
Library Materials	price of replacement

Appendix A: Scrub Training

Must complete an online module about surgical scrub protocol. Information regarding access to this will be emailed to you prior to your start date. After orientation, there is a mandatory Part 2 scrub training to complete.

Part 2 is only offered on Mondays. There will be a verbal quiz so be prepared to answer questions while you are training. If you do not pass, you will need to wait 1 week to retake (you will not be allowed to go in the OR or participate in scrubbing in on cases without Part 2 scrub training being completed).

ENT, GENERAL SURGERY (DH) AND OB/GYN ROTATIONS:

Part 2 is only offered on Mondays at 10am at Doctors Hospital. A staff member will show you where to go for class which starts promptly at 10am.

GENERAL SURGERY (GMC), ORTHOPEDIC SURGERY AND TRAUMA & SURGICAL CRITICAL CARE ROTATIONS:

Part 2 is only offered on Mondays at 10am at Grant Medical Center. You must report to Dakota in the Medical Education office by 9:45am in your scrubs. Dakota will take you to the OR as class starts promptly at 10am.

Dakota Bordner
Grant Medical Education Department
323 E. Town Street
Bone & Joint Building, 1st Floor
Phone: 614.566.9706

Parking at GMC
Rich Street Garage
(Corner of E. Rich Street and
S. Grant Avenue)
