Before Your Rotation

Student Information Form
Complete the Student Information form located on our web page (link will also be sent to you) and email it to Paula Vasu within two weeks (14 days) of rotation acceptance.

Processing Fee
The $50 processing fee is to be paid after you receive notification of acceptance for a requested elective. This fee is non-refundable and must be received within two weeks (14 days) of the date on the notification of acceptance. If the fee is not received within two weeks (14 days) of the date on the acceptance notification, your offer will be dropped and your spot will be forfeited. Do not send the processing fee until you have been approved for the rotation. No personal checks are accepted.

The only form of payment accepted is a Money Order or Bank Cashier's Check made payable to OhioHealth and mailed to:

Paula Vasu
Dept. of Graduate Medical Education
Doctors Hospital
5100 W. Broad Street
Columbus OH 43228

CareConnect Training (EPIC)
CareConnect training is part of your rotation. Information regarding this will be emailed to you prior to your start date. You must have this training completed when you arrive for orientation.

Scrub Training
If you are scheduled for one of the following rotations—ENT, General Surgery, OB/GYN, Orthopedic Surgery, or Trauma Critical Care—you will need to complete an online module about surgical scrub protocol. Information regarding access to this will be emailed to you prior to your start date. Print out your scrub training certificate of completion and bring it with you to orientation at Doctors Hospital. Students taking an Orthopedic Surgery or Trauma Critical Care rotation have an additional step to complete which is outlined in Appendix A at the end of this document.

Housing
Students are responsible for their own housing arrangements. A list of residents with rooms for rent can be found at http://bit.ly/1zcdGpw
Arriving at Doctors Hospital

Our Address
Doctors Hospital Department of Medical Education
The Heritage Center for Osteopathic Medical Education
5100 W. Broad Street
Columbus OH 43228

Orientation
You are required to attend orientation at Doctors Hospital at 8:00 A.M. on the first day of your rotation. Bring your driver’s license or state ID (for use in security registration), your school lab coat and school ID.

Orientation will begin on the second floor of The Heritage Center. Please wait in the lobby area outside of the library until all students arrive. A staff member will begin your orientation at 8:00 AM. NOTE- if the first Monday of your rotation falls on a national holiday, orientation will be held the following day (Tuesday).

Parking
All visiting students are required to park in the shuttle lot, located south of the hospital. Take the shuttle to its only stop.

Getting to Founders Hall
Once inside the hospital turn left, go all the way down the hallway and turn right. Use the second elevator on the left (labeled Heritage Center) or the open staircase to the 2nd floor and you will see the Library to your left.
Guidelines for Clinical Elective Rotations

The OhioHealth Doctors Hospital Department of Medical Education office serves as the primary point of contact and administration for your clinical rotation. In order to successfully complete and pass a clinical rotation, each student will need to comply with local policies and procedures. This includes a formal orientation on the first day of service. At the end of your rotation, a formal check-out is required. You will be asked to turn in your ID badge, dining card etc. All rotations end no later than 3:00 PM on the last Friday of the rotation.

If you become ill and cannot report for the day(s), it is your responsibility to contact the Preceptor prior to the start of your shift. If you fail to do so, your school will be contacted of your unexcused absence(s).

You must not start before your rotation’s official start date.
Failure to comply with this rule will lead to immediate termination of your rotation, and your removal from consideration for a residency at this hospital.

Scope of Responsibility

The ultimate responsibility for patient care lies with the attending physician. As a medical student, you can expect to work under the direct supervision of a resident, fellow or attending physician. You may, in the presence of your supervisor, participate in patient examination and take medical histories. The attending physician must approve and submit every note or order the student writes for it to be used in the permanent record.

Limitations

As a clinical student, you may respond only to the direction of a member of the Medical Staff to perform a procedure in the presence of that staff member. Any participation in performance of History and Physical Examination, progress note, etc. may only be performed under the direct supervision of a licensed physician, fellow or resident holding a temporary license and must be countersigned, dated, and timed within 24 hours by a licensed physician, fellow or resident holding a temporary license.

Under no circumstance should you, as a medical student, write orders or act as a scribe for a licensed practitioner (medical staff rules and regulations Section IV, Paragraph I).

Violations of this rule and a portion of the Medical Practice Act, Ref OAC 4731.41 could prevent you from being licensed in the state of Ohio and could constitute a charge of unprofessional conduct.

Work Hours

Your typical day will begin at 7:00 a.m. and will end around 7:00 p.m. Variation of these hours is at the discretion of the attending physician and/or assigned resident. You shall not be required to work more than 12 hours per day unless your assigned duties have not been met, you have an emergency, or you are in the middle of a procedure or surgical case.

Your number of on-duty hours should not average less than 40 or more than 80 hours per week. Any additional hours spent on duty are on a voluntary basis only. If assigned night duty, you may work no more than 24 consecutive hours, which must be followed by a minimum of 12 consecutive hours off duty. You are to work no more than one night duty shift per week. If assigned night duty, you must be scheduled for a minimum of every other weekend off.
Didactic Presentations

Much of your training will come from clinical experience with patients, residents, and attendings. To supplement your clinical training, you are expected to participate in all didactics required by the preceptor/program. Morning conferences will vary according to the service you are on. Special lectures are offered in general to residents and students, but this is only on occasion.

Professional Appearance/Student Identification

You are expected to wear a short clinical lab coat at all times while in the hospital. Your school ID as well as your Doctors Hospital ID badges will also be worn while on your rotation, displayed on either the pocket or the collar of your lab coat. Inappropriate attire includes, but is not limited to, wrinkled/unclean clothing, jeans, sweats, shorts, leggings or other casual attire. Your shoes should be clean and appropriate for your attire.

Scrubs are only permitted in surgery, special procedure areas, and obstetrics or when you are on night call. Surgical caps and shoe covers are required in sterile areas and in non-conductive areas. Due to strict OSHA requirements surgical caps, hoods, gowns, shoe covers and boots are not to be worn outside of the surgical and obstetrics area. You are not permitted to wear scrubs or other hospital assigned uniforms outside of the hospital. You will be responsible for returning all scrubs and other uniform attire to the proper receptacles.

Any deviation from the above conditions shall be at the discretion of the Doctors Hospital Department of Medical Education and/or your preceptor. Any questions or concerns regarding these conditions should be directed to Paula Vasu at 614-544-2094 or Paula.Vasu@Ohiohealth.com
During Your Rotation

Meals
You will receive a $50 dining card at the start of your rotation. The dining card can be used at Doctors Hospital, Riverside Methodist Hospital and Grant Medical Center. You are not permitted into the Physician’s Dining Room (PDR) unless invited and accompanied by a resident, fellow or attending physician.
