Before Your Rotation

CareConnect Training (EPIC)
CareConnect training is part of your rotation. Information regarding this will be emailed to you prior to your start date. You must have this training completed when you arrive for orientation.

Scrub Training for Surgical Rotations
At Grant, we want to make every effort to reduce infections in the operating room. In order to accomplish this we want to ensure the correct procedures are being used with your surgical hand scrub. You are required to complete and pass a two-step course:

1. Complete an online module about surgical scrub protocol. Information regarding access to this will be emailed to you prior to your start date. You must email a screenshot of your scrub training certificate to Nan Koch (nan.koch@ohiohealth.com) or print the certificate and bring with you to orientation.

2. Complete and pass the Mandatory Scrub Training Class on your first day. You must provide your certificate from the online module in order to take this course. You will not be permitted to scrub on cases until you have successfully completed and passed this course. **IF YOU DO NOT PASS, YOU WILL NEED TO WAIT ONE WEEK TO RETAKE THE COURSE.** This means for one week you will not be allowed to go in the OR and participate in cases.

Once you have successfully completed both steps, you will receive a hand sticker for your badge indicating you have completed and passed this class. This class only needs to be taken once unless otherwise instructed.

Housing
Students are responsible for their own housing arrangements.

Orientation
You will receive an On-Boarding packet from Nan Koch via email confirming your start date and time. Orientation is held in the Grant Medical Education office located at the Bone and Joint Building at 323 E. Town Street, First Floor, Suite 100. Please plan to bring your school lab coat and school ID.
Arriving at Grant Medical Center

Our Address
Grant Medical Center
Department of Medical Education
Bone and Joint Building
323 E. Town Street, Suite 100
Columbus OH 4315

Getting to Grant Medical Education
Grant Medical Education is located in the Bone and Joint Building at 323 E. Town Street, First Floor, Suite 100. Enter through the main entrance, walk straight through the double doors, and through the atrium.

Parking
All visiting students are required to park in the Rich Street Garage. The garage is located on the corner of Rich Street and Grant Avenue, just two, short blocks away from the hospital.
Guidelines for Clinical Elective Rotations

The Grant Medical Education serves as the primary point of contact and administration for your clinical rotation. In order to successfully complete and pass a clinical rotation, each student will need to comply with hospital and department policies and procedures. This includes a formal orientation on the first day of service.

If you become ill and cannot report for the day(s), it is your responsibility to contact the Preceptor or Chief Resident prior to the start of your shift. If you fail to do so, your school will be contacted of your unexcused absence(s).

Scope of Responsibility

The ultimate responsibility for patient care lies with the attending physician. As a medical student, you are expected to work under the direct supervision of a resident, fellow or attending physician.

Limitations

As a clinical student, you may respond only to the direction of a member of the Medical Staff to perform a procedure in the presence of that staff member. Any participation in performance of History and Physical Examination, progress note, etc. may only be performed under the direct supervision of a licensed physician, fellow or reside and must be countersigned, dated, and timed within 24 hours by a licensed physician, fellow or resident.

Under no circumstance should you, as a medical student, write orders or act as a scribe for a licensed practitioner.

Violations of this rule and a portion of the Medical Practice Act, Ref OAC 4731.41 could prevent you from being licensed in the state of Ohio and could constitute a charge of unprofessional conduct.

Work Hours

Duty hours are defined as all clinical and academic activities related to the rotation; i.e. patient care (both inpatient and outpatient), out-of-hospital/clinic time spent on patient notes, administrative duties related to patient care, time spent in-house during shift activities, and scheduled activities, such as conferences.

2. Duty hours must be limited to 80 hours per week, inclusive of all direct patient care activities (whether completed in-house or at home).
3. Medical students must be provided with a continuous 24 hours off during every seven days of duty, averaged over 4 weeks, free from all educational and clinical responsibilities.
3. Continuous on-site duty, including in-house call, must not exceed 24 consecutive hours per day for patient care, plus 4 additional hours for educational activities (e.g. transition of care, conferences).
4. At-home call must not be so frequent as to preclude rest and reasonable personal time for each student. When the student is called into the hospital, the hours spent in-house are counted toward the 80-hour limit.
5. Night float rotation should not exceed 6 nights in a row; at a minimum, there are 8 hours off between shifts.

Didactic Presentations

Much of your training will come from clinical experience with patients, residents, and attendings. To supplement your clinical training, you are expected to participate in all didactics required by the preceptor/program. Morning conferences will vary according to the service you are on. Special lectures are offered in general to residents and students, but this is only on occasion.
Professional Appearance/Student Identification

You are expected to wear a short clinical lab coat at all times while in the hospital. Your school ID as well as your OhioHealth Grant Medical Center ID badges will also be worn while on your rotation, displayed on either the pocket or the collar of your lab coat. Inappropriate attire includes, but is not limited to, wrinkled/unclean clothing, jeans, sweats, shorts, leggings or other casual attire. Your shoes should be clean and appropriate for your attire.

Scrubs are only permitted in surgery, special procedure areas, and obstetrics or when you are on night call. Surgical caps and shoe covers are required in sterile areas and in non-conductive areas. Due to strict OSHA requirements surgical caps, hoods, gowns, shoe covers and boots are not to be worn outside of the surgical and obstetrics area. You are not permitted to wear scrubs or other hospital assigned uniforms outside of the hospital. You will be responsible for returning all scrubs and other uniform attire to the proper receptacles.

Any deviation from the above conditions shall be at the discretion of the Grant Medical Center Department of Medical Education and/or your preceptor. Any questions or concerns regarding these conditions should be directed to Nan Koch at 614-566-9706 or nan.koch@ohiohealth.com.
During Your Rotation

Meals
The cafeteria is located on the 2nd floor of the main hospital. Students are not permitted into the Physician’s Dining Room (PDR) unless invited and accompanied by an attending physician.

Grant Medical Center Café Hours
Monday-Friday: 6:30am-2am
Saturday-Sunday: 7am-2am

Medical Library
340 E. Town Street
7th Floor
Phone: 614-566-9468
Staffed: M-F 9am-4:30 pm
All other times access allowed by badge reader to the right of library door.

- Students may check out library materials during staffed hours only.
- Materials must be returned by the last day of your rotation. Unreturned materials will be considered lost and you will be charged the cost of a replacement.
- The copy room is available for student use and can be accessed via badge reader.
- There are private study rooms that are available on a first-come first-served basis.
- Please do not bring food into the library, study rooms or computer room. Covered drinks are permitted.
- Do not leave items unattended in the library, study rooms or computer room.
- The library offers access within the institution to major resources as well our online catalog to access books and journals from the library web page. There is also a dedicated OhioLink computer in the computer room.

Technical Support
Problems with your OPID or other computer issues? Call Information Services at (614) 566-HELP (4357), 24 hours/seven days a week.

Evaluations
It is the student’s responsibility to see that the preceptor completes evaluations and other paperwork required by their schools. We appreciate any feedback regarding your rotation here at Grant Medical Center.

Questions? Call Nan Koch (614)-566-9706
