Jeremy Wills, MD
Family Medicine Physician
OhioHealth

Disclosure
As an accredited continuing medical education (CME) provider, OhioHealth must ensure balance, independence, objectivity, and scientific rigor in all educational activities we sponsor. Faculty and planners participating in sponsored activities must disclose any significant financial interests or other relationships. Any potential conflicts of interest will be resolved and revealed on slides and/or handout materials.

OhioHealth Continuing Medical Education presents:
The 2017 OhioHealth Primary Care Conference
October 20–21, 2017
The Heritage Center for Osteopathic Medical Education
OhioHealth Doctors Hospital
5100 W. Broad Street
Columbus, Ohio 43228

Register now at https://primarycare2017.eventbrite.com
The OhioHealth Primary Care Conference

This two-day event with multiple speaker course was developed in cooperation with the academic faculty of Doctors and Riverside Methodist Hospitals Primary Care Residency Programs to provide an annual in-depth exposure and review of basic primary care topics. These areas of adult and pediatric knowledge are felt to be best addressed by an in-depth review since it is difficult to cover material in a comprehensive and cohesive fashion otherwise. Many primary care physicians in the area benefit greatly from a periodic review of this material. The survey feedback we have received from similar previous courses indicate a need for yearly updates in primary care medicine. This year’s speakers and topics were chosen based on current environmental trends in medicine as well as feedback from last year’s evaluations.

Objectives

After participating in this activity, the physician should be more confident in their ability to:

1. Select the latest guideline recommendations for common conditions presenting to the PCP (including peripheral neuropathy, dementia, prostate cancer, and Chronic Kidney Disease), as well as conditions that have emerging treatments (Diabetes, palliative care, bipolar disorder, and COPD).
2. Develop manual skills in dermatologic procedures.
3. List salient points regarding trending topics in medicine, including physician wellness, medical marijuana, parenting in the age of social media, pediatric ultrasound use, and gluten sensitivity.
4. Select the latest guideline recommendations for common conditions presenting to the PCP (including Eating disorders in Children, lymphadenopathy in Children, Concussions in teens, and Anovulatory bleeding), as well as conditions that have emerging treatments (Diabetes Type 2 in Children and OSA in children).

Accreditation

AOA – OhioHealth Doctors Hospital is accredited by the American Osteopathic Association (AOA) to sponsor continuing medical education for physicians.

The AOA designates this program as meeting the criteria for 14.25 credits Category 1-A.

AMA – OhioHealth is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.

OhioHealth designates this live activity for a maximum of 14.25 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in this activity.

AAFP – An application has been submitted to the American Academy of Family Physicians. Determination of credit is pending.

Nursing – The Ohio Board of Nursing recognizes events approved by a nationally recognized accreditation system of continuing education approval.

The course for Saturday has been approved by the American Osteopathic Board of Pediatrics for 7 Pediatrics specialty CME credits.

Cancellation and Refund Policy

OhioHealth reserves the right to cancel or delay this course due to any unforeseen circumstances. In the event this meeting would have to be canceled, OhioHealth will refund your registration fee. We are not responsible for any travel, hotel or other costs incurred.

If a participant cancels, refund of conference fee minus a 25% administrative charge will be made if written notice of cancellation is received no later than October 6, 2017. No refunds will be granted after October 6, 2017.

Inclement weather: If a participant is unable to attend due to inclement weather (Level 3), a refund of the registration fee minus a 25% administrative charge will be issued.
