Holiday Grief Workshops

FAMILY HOLIDAY WORKSHOP

The holiday season reminds us of traditions as we gather with family and friends. The absence of those who are missing is often heightened during this time. YOUNG ADULT HOLIDAY WORKSHOP

Losing someone important can change so much. The holiday season can be challenging and feel complicated for young adults (ages 18 and older) who have experienced the death of someone significant.

This workshop offers the opportunity to come together with peers of a similar age and have a sense of community. Our licensed grief professionals will lead the group to share experiences and learn strategies for managing grief during the holidays. Whether your loss was recent or years ago, all grief timelines are welcome. Join us on **Wednesday, December 16 from 6-7:30pm at OhioHealth Hospice House** located at 800 McConnell Drive, Columbus, Ohio 43214.

Registration Is Required for All Workshops

Coping Through The Holidays

Following the death of a loved one, many of us find the holiday season only a painful reminder of the person or people we've lost. What once felt festive and a time to look forward to, may now stir up complicated emotions, anxiety, and feelings of uncertainty.

Please join us as we connect with others who share our experience, and discuss tools for navigating holiday traditions, gatherings, and changing family dynamics, among other topics. We will also discuss meaningful ways to remember our loved one. This group is open to anyone who's experienced a death and could use additional support during this time.

Location

OhioHealth Hospice House
800 McConnell Drive, Columbus, OH 43214
